(2) Janusz Gil Institute of Astronomy, University of Zielona Gora, Poland

(3) Astronomical Observatory, Jagiellonian University, Cracow, Poland

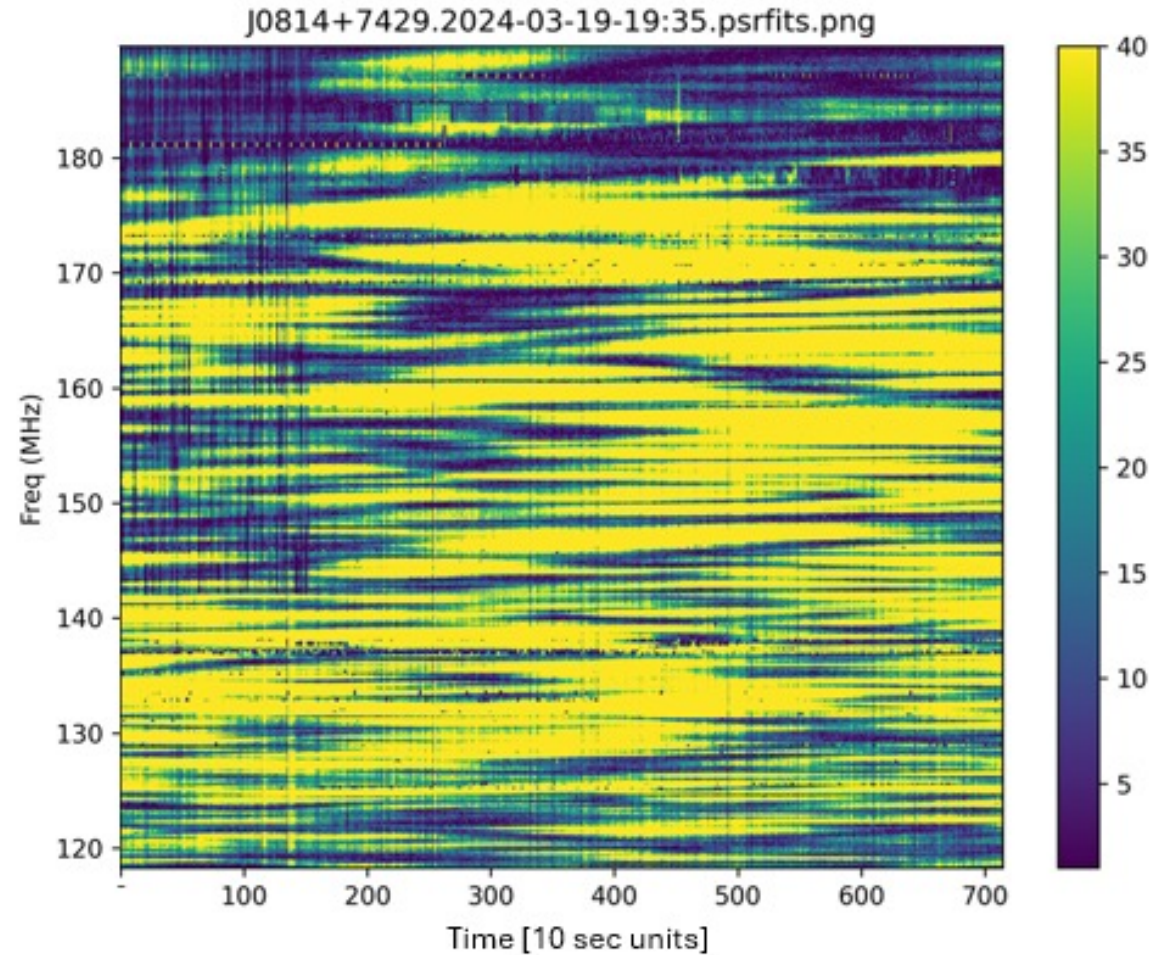

(4) Department of Electronic and Electrical Engineering, University of Bath, United Kingdom

## The Flux of Pulsars' Signal Moderation Areas

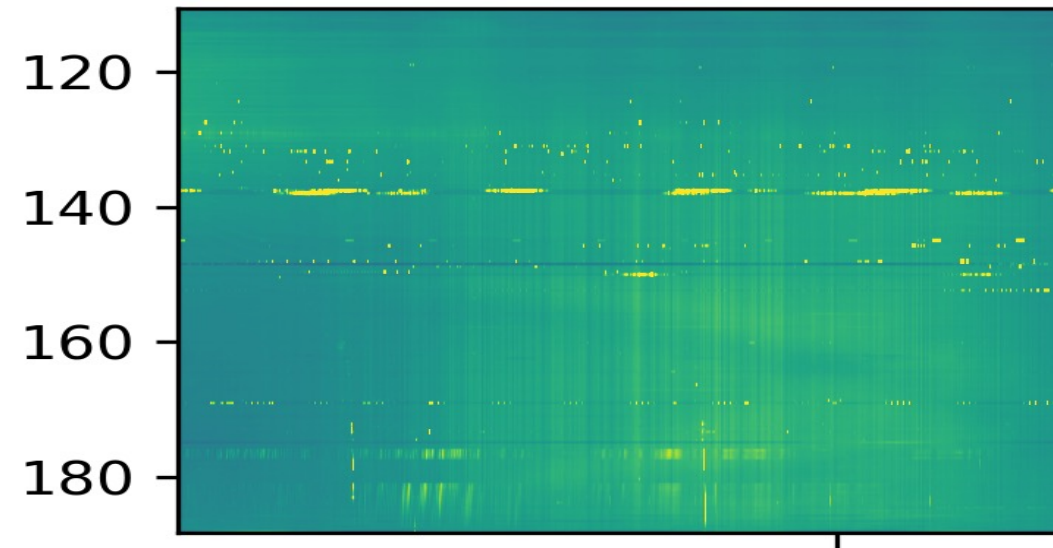

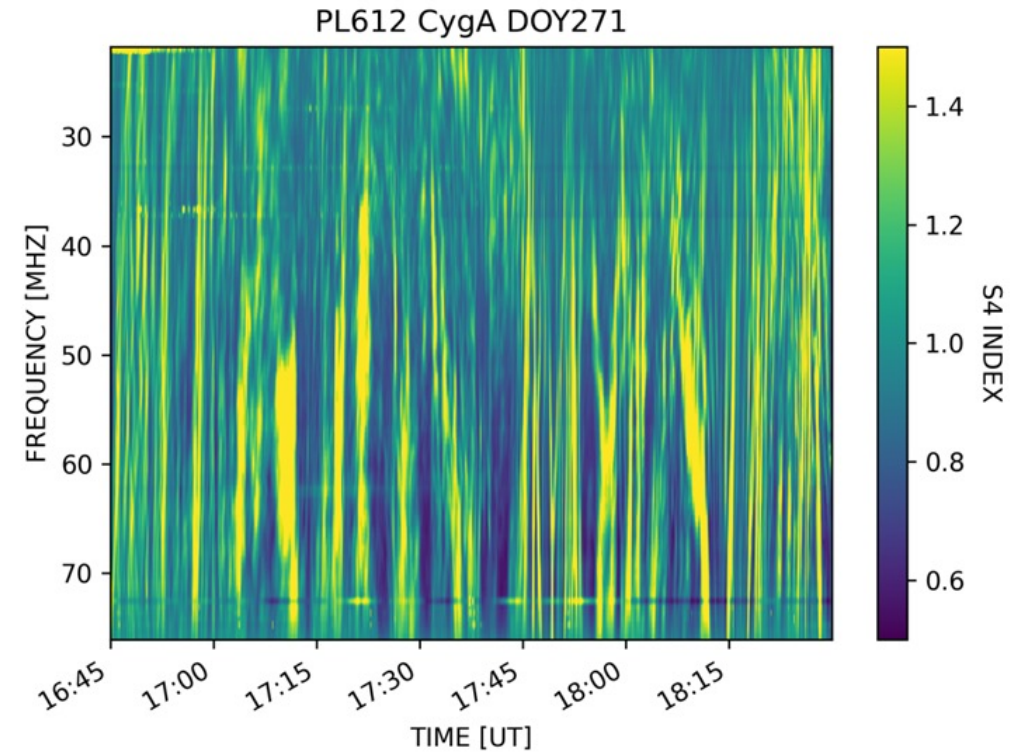

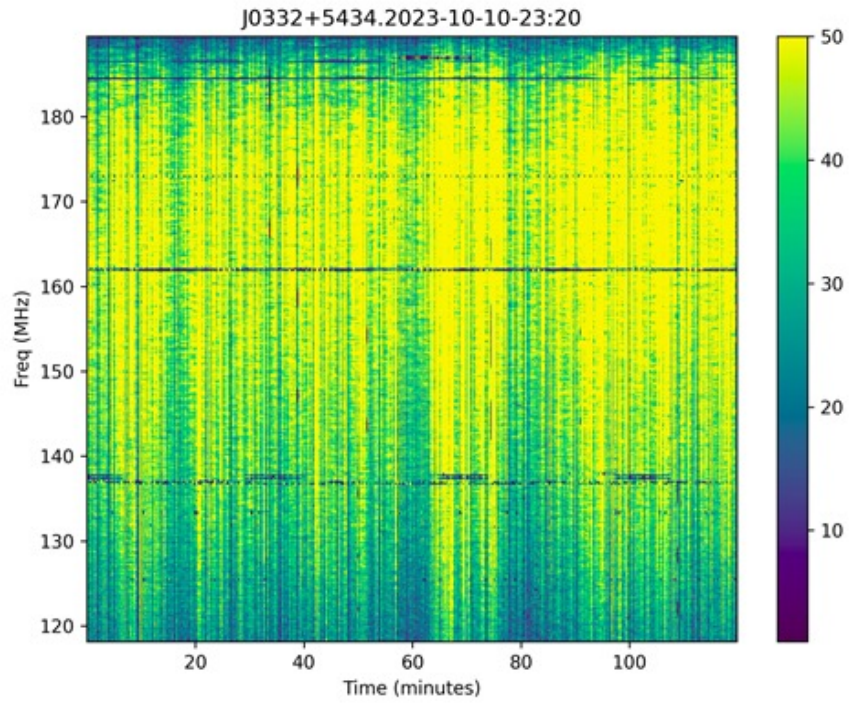

# Interstellar Scintillations

- Do vertical stripes with high oscillation are caused by ionosphere?

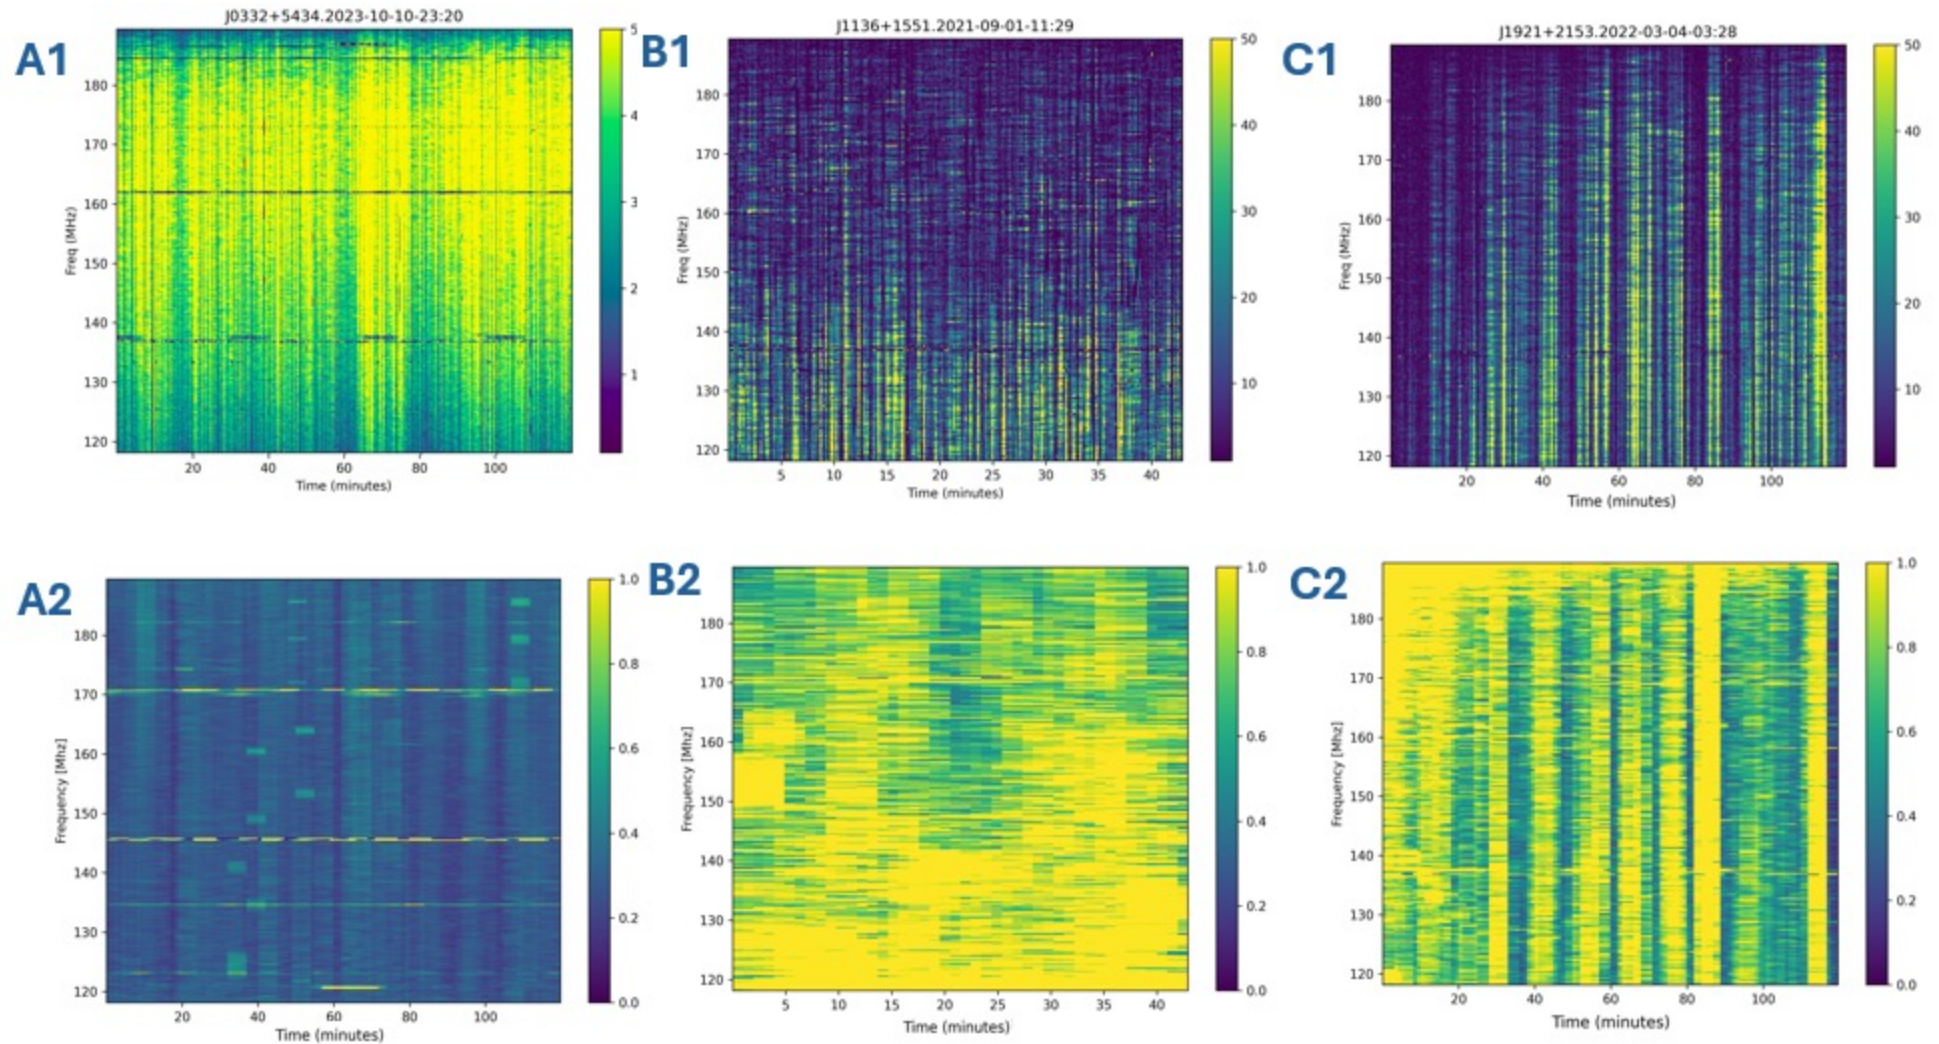

# Pulsar vs. Cyg A

# Ionospheric Scintillations?

# Next steps:

- More observations
- Simultaneous observations
- In-depth frequency analysis
- Comparison with other ionospheric data - GNSS
